

GLI INSERTI IN MAIOLICA

D. Brevetto N. RG99H000002

Linea Idea Collezione Steel

Sistema e modelli brevettati

Il ricercato design e l'alta tecnologia dei pannelli bugnati "Solaria", insieme alla vastissima gamma di colorazioni e all'eleganza delle maioliche decorate a mano, consentono un inserimento armonico in ogni ambiente, sia classico che moderno. L'alta qualità dei materiali utilizzati, lamiera di alluminio 12/10 con verniciatura a polvere certificata, l'anima in MDF di primissima scelta, garantiscono il massimo in termini di affidabilità risolvendo qualsiasi problema di manutenzione nel tempo.

The sought-after design and high technology of the Bugnati "Solaria" panels together with the vast range of colors and the elegance of the hand decorated majolica, allow a harmonic adaptability in every environment, both classical and modern. The high quality of the materials used, 12/10 aluminium plates with certified dust painting and the soul in first-quality MDF, guarantees the maximum in terms of reliability; resolving any problem of maintenance in time.
